

Horseman and Evans sign on

WYCOMBE Wanderers top two goalscorers last term, Tony Horseman and Dylan Evans, have both signed on for next season.

The veteran Horseman, who topped the goalscoring charts with 32, is currently out of action with a fractured elbow but is looking forward to next season — his 16th with Wycombe. Although approaching the limelight of his career, 'Bodger' (35), showed last season that he still has much to offer.

Evans finished with only two short of Horseman's goal tally with 30 last season including a memorable hat-trick against Dagenham in the last home game.

New manager Ted Powell announced the signings last night (Monday) and is still in the process of arranging his squad for the next season.
